Our Training Process for Our Personal Protection Dogs

We use a science-backed approach to train our dogs, combining decades of experience with the latest research in canine behaviour and psychology.

Our training process includes:

- **Obedience Training:** Our dogs undergo rigorous obedience training to ensure they are responsive to commands.
- **Protection Training:** They are trained in real-life protection scenarios to prepare them for any situation.
- **Socialisation:** Our dogs are socialised to be calm and gentle around family members and strangers.

Why Choose Elite Protection Dogs

- **Unmatched Security:** Our dogs provide a heightened level of protection and security for you and your loved ones.
- **Bespoke Training Programs:** We tailor our training programs to suit individual requirements and needs.
- **Impeccable Temperament:** Our dogs are affectionate, well-mannered, and sociable, making them excellent companions.
- **Expertise:** Our team has extensive experience in training elite protection dogs.
- **Quality:** We prioritise the health, well-being, and quality of our dogs.

At Elite Protection Dogs, we are committed to providing you with a loyal and loving companion that also provides unparalleled security.

In 2023, German Shepherds led the market with a 40% share, followed by Doberman Pinschers with 10%, but the Belgian Malinois saw the highest growth of 10% due to its intelligence and agility in protection roles. [Source](#)

Due to rising demand for individual safety, making it the fastest-growing segment, personal and family protection is expected to grow at a CAGR of 7%.

Our [personal protection dogs](#) are the ultimate combination of loyalty, intelligence, and elite training.

We are dedicated to helping you find the perfect protection dog for your family, providing you with peace of mind and a loyal protector you can trust.

Frequently Asked Questions

1. What is a personal protection dog?

A personal protection dog is a highly trained canine that provides security and protection to individuals and families. They are loyal companions and trusted guardians.

2. What breeds are used for personal protection dogs?

We use top breeds like German Shepherds, Belgian Malinois, Doberman Pinschers, and Dutch Shepherds. Each breed is selected for its intelligence, loyalty, and athleticism.

3. How do you train the personal protection dogs?

Our dogs undergo rigorous training that includes obedience, protection, and socialisation. They are trained to detect and respond to threats while being calm and gentle around family and strangers.

4. How much does a personal protection dog cost?

The prices of personal protection dogs vary based on their breeds, starting from \$65000 to \$200000 and more, depending on the training level and other factors.

5. Can I have a personal protection dog if I have children?

Yes, our dogs are socialised to be gentle and calm around children. We will work with you to find the perfect dog for your family.

6. How do I care for my protection dog?

We will provide you with comprehensive training and support to ensure a smooth transition. Our dogs require regular exercise, training, and veterinary care to thrive.
